<b>HUED</b>		<a href="#">HUED</a>	Online Services	Medical care support specifically for people of color	n/a	Hued is a platform that diversifies the patient/doctor connection by connecting patients (of color) with health and medical professionals (of color) that specifically understand their cultural, physical and mental needs. This will give prospective patients easy access to care from people that look like them i.e. 'hued' healthcare providers.
<b>JDoe</b>		<a href="#">JDoe</a>	Mobile App	Anonymous Reporting Platform for Sexual Misconduct	Free	We understand that describing a past incident can be difficult. JDoe anonymizes all reports and leaves the choice to the user as to whether they wish to be contacted by a lawyer. While all information is indexed anonymously, JDoe is still able to make matches and identify mutual victims. As opportunities arise with lawyers and matches, our algorithm will automatically notify users. You have the choice in deciding to pursue a case.
